CERCASEL

We are a Colombian company focused on the manufacture and distribution of property and perimeter protection systems. Reliability is one of our core values, and we achieve it by offering the best products and services. All of our fences are available in a wide variety of colors and we can make almost any steel style fence by design.

OUR FACILITIES

10 SOLUTION EXAMPLES

TRADITIONAL FENCE.

Durable, functional and aesthetic fencing system, easy to install and maintenance free.

C4 FENCE.

Maximum security fence made with steel mesh panels that brings high protection to your property.

ANTI CLIMB SPIKES.

An element that provides additional security which can be installed on our fencing systems, walls, doors, and gates.

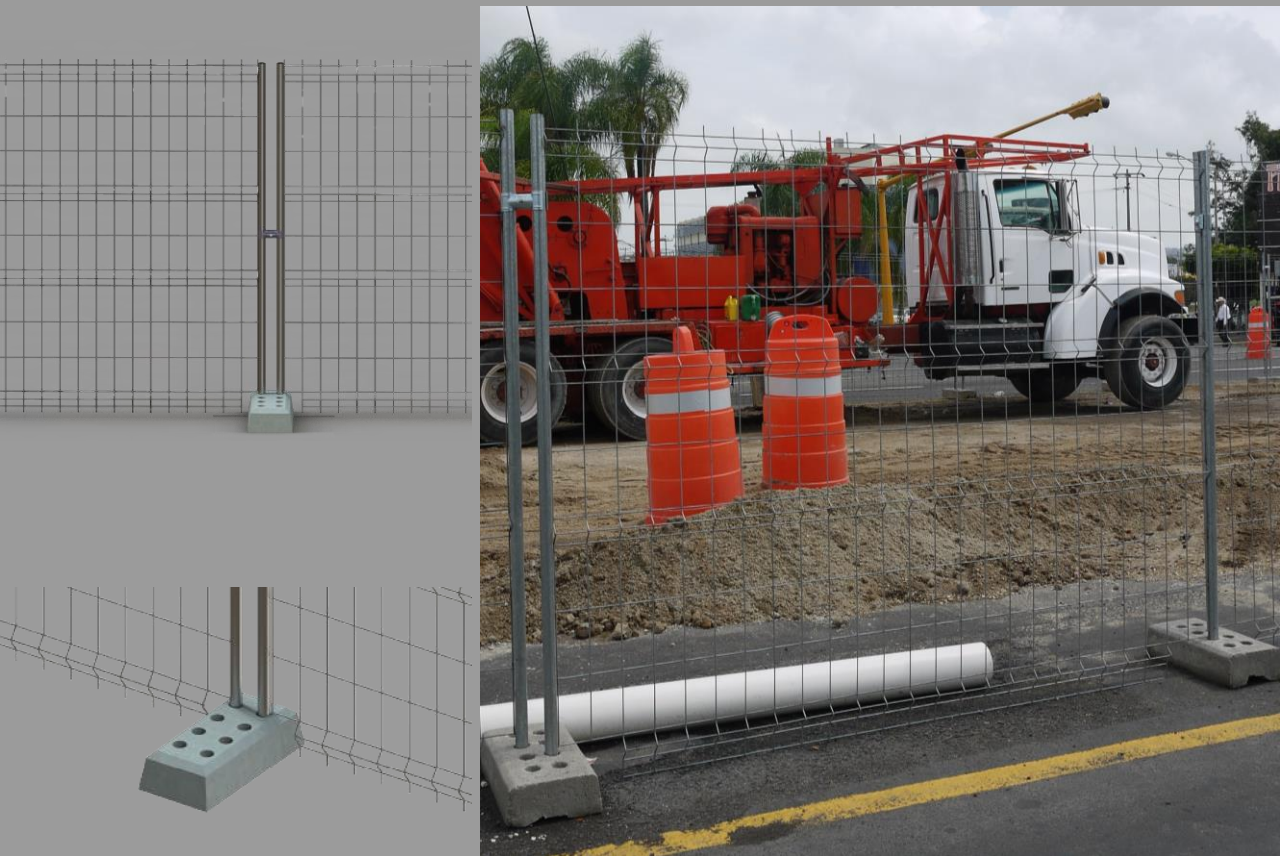

ECOFENCE.

Electro welded wire mesh, galvanized, and plasticized and weatherproof, available in rolls.

DIVISEL.

Its modular design defines and offers protection to spaces on an interim basis. Because of its versatility, the DIVISEL system allows you to quickly change its settings.

FORTAFENCE.

State-of-the-art and high-quality design. Easy installation due to the prefabricated modular system, the only one on the market.

CUSTOM DOORS AND GATES.

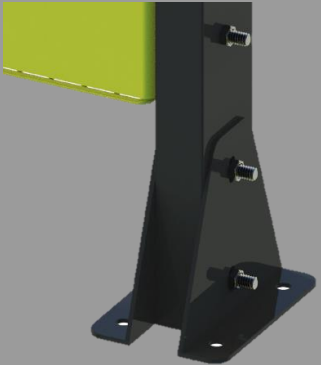

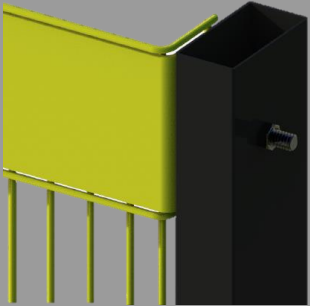

Designed to fit specific projects and needs we make doors and doorways through hinge mechanisms of the best quality.

MODULAR FENCE.

Portable fence system, ideal to mark the boundaries of subdivisions of your property or business in a temporary way.

It is designed to maximize the benefits of using different open areas during office hours, like car wash, car lots, restaurants, workshops, parking lots and more.

ESPAI FENCE.

Steel mesh panels solution with modular easy to install system, designed for warehouse divisions, machine safeguard and protection.

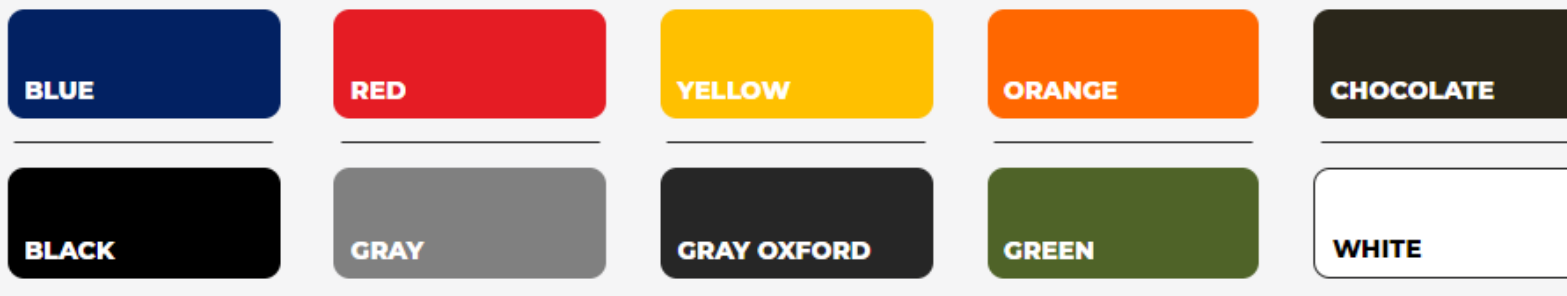

CUSTOM MADE PROJECTS.

In addition to traditional & security fences, we can adapt to whatever design ideas you have in mind, for any type of need.

If you can imagine it, we can do it. Contact us and together we will create your project tailored made.

COLOR OPTIONS

Additionally, each product can be manufactured in our color palette, provided that they are similar to these color options.
